

## Cover profiles

- ▶ For fixing cables in position
- ▶ To prevent dirt from entering the profile slot
- ▶ Attractive design
- ▶ Soft PVC cover profile for 6 mm slot is provided as a roller
- ▶ Flush with profile
- ▶ An ESD-conductive connection between the cover profile and the strut profile must be ensured through a design solution, e.g. screw

Cover profile, 6 mm slot	Color	Material	ESD	L (mm)		No.
 00109385	Colorless, natural	aluminum, anodized		2000	10	<b>3 842 523 254</b>
